

Photos On Fabric

taught by Lyric Montgomery Kinard

Solvent Photocopy Transfer and Ink-Jet Printing

Skill level: all levels

3 hour format

Supply Fee: \$10.00 per student

Optional kits available for \$25.00

Make a lovely art-quilt while learning this low-tech method for transferring photocopies onto fabric. While you ink in some color, stitch, and bead, Lyric will demonstrate and compare various ink-jet products so that you know what your high-tech options entail.

Students will learn to transfer photocopies onto fabric and will also review bubble-jet-set and various ready-to-print products. In a six hour class students will make a lovely art quilt and learn a variety of finishing and embellishing techniques.

Supplies:

- Fabric scissors, paper scissors, paper, pencil
- 8x10 piece of glass with edges taped for safety
- **\$10.00 supply fee** (whether you buy a kit or not)

Buy a kit from Lyric (\$25) no need to reserve a kit in advance

Or Bring the Following

- Fat quarter or 9"x12" batting and/or muslin
- Fat quarter or 9" x 12" fabric for backing
- Fabric scraps, lace scraps
- Embroidery threads and needles
- ½ yard fusible web such as Misty Fuse or Wonder-Under (not heavy-weight)
- Embellishments such as beads, fun threads, charms, etc
